Sir:

In response to the Notice mailed December 8, 2004 as entered in the above captioned matter, the applicant respectfully submits Replacement Drawings for all thirteen sheets.

The original drawings were objected to for various reasons, including inappropriate margins, objectionable line quality, insufficiently legible numbers and reference characters, and poor figure legends.

The enclosed Replacement Sheets respond to each and every one of these objections. Each sheet includes the expression "Replacement Sheet" in the top margin as per present requirements. These Replacement Sheets include all prior figures as appeared on the original sheets.

Application No. 09/557,690  
Amendment dated January 27, 2005  
Reply to Office Action of December 8, 2004

The applicant respectfully submits that these Replacement Sheets are in full compliance with all drawings requirements and that this application is now in suitable condition to pass to issuance.

Respectfully submitted,
